Mea Culpa!

Here we are moving into March. 1/4 of the year under our belt. It really has been a busy ball season. I have attended TIYC cocktail party, and Elba-Mar's ball. It's been great fun representing our club at these events. By the time you read this I will also have attended the AYC weekend. I hope to see some of you up there. Our "Talk Like A Pirate" room should be a big hit. Jennifer Turski has gone over the top in getting it set up and getting fantastic donations from Capt. Morgan for give-aways. Come up and see Pirate Mark! Right after that comes the FYC ball, always a beautiful affair and our neighbor across the Maumee, HVYC. The Class of 17 will be visible this year!

Sadly, we were not able to elect either a Vice Commodore or a Fleet Captain at our last meeting. We will continue to strive to fill these openings. There will be a short special meeting before each meeting at 7:25 PM for this purpose until the offices are filled. This is according to our By-Laws. At the present time we have had volunteers step forward to handle Regatta and a couple of dinner fund raisers. These dinners help the bar make money and provide opportunities for fellowship with other members. When you see announcements, please try to support them. PC Sue DuChene, President of the Blue Gavel has committed to a fish fry to benefit the club's finances. This will be in May. Look for it.

Mike Burkhardt has changed the office locks and the key card readers are being changed over. A few members still have not paid their dues and we need to get these in promptly. Dues are due by January 1st. I understand there have been a few changes of address. New notices have been sent. If your dues are not paid you will be called before the board at the March board meeting.

Regatta raffle tickets are ordered and will be available in envelopes with your name on them in a box behind the bar. There will be a bucket available to put your stubs in by the Ship Store.

I want to thank everyone who has worked and shown up to support the club. We are off to a good start this year. Let's build the momentum and keep going strong. We are so lucky to belong to the best little club on the river and in the AYC!

From the Rear Commodore

Dear Club,

Congratulations on fantastic hosting of our guests during the Ice Regatta Poker Run. This is always a great party but this year, it was incredible surely due to the efforts of all but especially Jennifer Perkins and Pam Gilmore.

All brought great food — Mass Quantities, and people stayed, and stayed, and stayed... As I said at

the meeting, I hope we can have half of that positive energy for our regatta.

Thanks,

Cindy Cappadora

Rear Commodore

From the Treasurer

We had a great turn out at the Commodores Ball and a great time.

Thank you to everyone that has paid their dues on a timely manner. If you paid your dues and have not received your membership cards please let me know because they have

all been mailed out. REMINDER, ALL dues should be paid by now.

Looking forward to Spring and a great year.

Treasurer

From the Dockmaster

Dock leases have been mailed out and are due NO later than February 15th for members. It was voted on that 2nd docks for the smallest boat for members are ½ price. Bid sheets are in the Bid Book up at the Bar. I will be mailing out dock leases to non members March 1st, at a rate of \$18 a ft.

If you have any questions feel free to contact me at 419-806-7050.

Happy soon to be boating season.

From the House Manager

What a fantastic Commodores Ball we had. (As usual)

Our member Fred Fick has taken care of most of our plumbing issues. Thank you Fred. We had a problem with the furnace and Mike Burkhardt has taken care of that for us. Thank you Mike. How lucky are we to have a plumber and HVAC for members. I will be talking to our electrician soon, I don't want

her to feel left out. Tim Littrell has been keeping the club clean and fixing things like always. Thank you Tim.

What a GREAT club to have everyone working together.

ORKA and TWI

Check out his article in the 2-14-17 edition of the Point and Shoreland Journal that explains progress that has been made cleaning up our waterways. ORKA is made up of members from local yacht clubs who have been working with the Toledo Water Initiative to improve our waterways. You can help out by attending their fall clean-up on 9-9-17.
