

Docklines

From the Commodore

Hello out there! Hope everyone survived the great March wind-storm of 2017! You've probably heard (or seen) that the south wall of the upper deck enclosure at the club house blew in. Thanks to Sue Caudell and Kevin Dietsch for notifying

me! Kevin was able to get some help pronto and the situation was rectified very quickly! Thanks go out to Gary Durall, Mark and Mike Weiss, Tim Littrell, and Kevin. Our club is great because we come together and support when needed. No harm, no foul. The window didn't even break.

I've been having a wonderful time representing the club at various balls. I attended FYC's at the beautiful Dearborn Inn. By the time you read this I will also have been at HVYC (11th) and MBC (25th).

This is such a great way to get to meet and develop lasting friendships with all our AYC brothers and sisters. Thank you for allowing me this opportunity.

Regatta tickets are in and I'm getting them in envelopes. These will be at the bar for you to pick up.

There will also be a bucket you can put your stubs in when you fill them out. There are PLENTY so if you need more just let me know!

Big thank you goes out to Spider (Mike) Weiss. He has consented to take on the office of Fleet Captain for 2017. He was duly elected and sworn in at the March meeting. We only need 1 more for a full board.

I hope that those of you who have the requisite 1 year prior experience on the board would give this some thought. Pam Perkins already has regatta pretty well organized. That happens to be the biggest job but it shouldn't be a deal breaker. Having great committee chairmen and workers that sign up and show up are what makes it work and we do that well. The signup sheets are up at the bar. Take a look and take a job.

We will be having corned beef and Swiss sliders at the club on St Paddy's day. \$2.00 gets you a sandwich with chips and a pickle. Also look for the Spaghetti dinner and Lighting of the docks flyer in this issue.

See you at the club!

Docklines

From the Rear Commodore

Hello All,

So looking forward to the nicer weather. Seems like yesterday when we put the boats abed!

Hoping to have eager bartenders for summertime. Keep in mind that if you want to open a little earlier than 7 pm, feel free. Again, if anyone

has a good drink idea for summer, let me know, we can feature this... fun.

Thanks for all the help. Hope everyone will have fun this summer. Be safe.

Cindy Cappadora

Rear Commodore

From the Treasurer

I want to Thank all the members that have paid their dues in a timely manner. It is very important If you have a change of address, email or phone number you notify a board member ASAP so we can update our records accordingly.

We will be having a spaghetti dinner on Saturday March 25 at 6:00. I am asking people to either

call me or text me with the # of people attending in your party so we don't over buy food for this event. Remember, these dinners are to raise \$ for our club. My phone# is 419-349-4315. Thank you.

Think Spring!!!!!!!!!!!!!!

Teresa Marshall

Treasurer

From the Dockmaster

The Lighting of the Docks event is scheduled for April 15th, 2017 at 6:00pm. Hamburgers, hot dogs, baked beans, and potato salad will be provided with an \$8 per plate cost. Prior to this event there will be a work party. The work party will be either at the end of March or very beginning of April (weather permitting). We will need all available volunteers to help change the collars as well as change/repair any lights. Please watch your emails as well as your phones (via text) closely for updates as to when the work party will take place.

Thank you to everyone who has gotten in their dock leases and payments promptly. As we are now into March I would like to point out that we are getting very close to needing all final payments. Please be sure to check your mail frequently for leases on second docks as well as docks you have bid on to arrive. If you have any questions or concerns feel free to contact me anytime.

Chris Hilt

Dockmaster

From the House Manager

The new key cards are available at the club. Green is the member card and red is for guest use. The card readers will be changed March 19th weather permitting.
