

Docklines

From the Commodore

By the time everyone reads this the docks will be open and some boats will be getting wet. April is here and everyone is gearing up for the boating season.

I have been fortunate to be able to represent our club at HVYC, MBC and BVYC balls. A fun time was had but I don't think anyone can beat us for hospitality! Still have SeaWay, Wyandotte, DBBC, MRYC and Swan to attend to finish the winter/Spring ball season. Then we are off to the races for Regatta/Homecoming season. Everything kicks off with the Opening of the Port.

This is a great event where we can get together with all our local clubs to christen the '17 boating season. I have the official invite for our Flag officers and Past Commodores. I would like to see as many of you there as possible. Please let me know if you are planning on going.

Our Regatta is the 1st of the AYC season. It is June 2nd and 3rd. On Friday night we have the Sweet Tea band and Saturday will be Rock Candy. They have both played for us before so we should have some good crowds! The sign up sheets are on the board at the clubhouse. Check them out and sign up for a couple of hours. We always can use the help and no one is turned away. PC Pam Perkins is handling all arrangements and I'm sure you all know she will do a

fantastic job. This year AYC poker runs are at HVYC < Elba Mar, MBC, Sunseekers, ending at FYC on August 19th. Try to make it out. There is a new category for smaller clubs involving who is the most spirited. Let's show 'em!

On 4/14 a few of us went on a burgee run to retrieve ours, steal theirs and generally make mischief. When we do this it will be announced. Come on along!

Want to thank Tim Kurtz for climbing and repairing fascia on the clubhouse. Way to get 'er done! Also thanks to Kevin Dietsch, Bill Boyles and Kathy, and Matt Weiss who helped with a gusty day dock problem. Hope I saw a lot of you at the Light the Docks party. If not, see you next time!

Probably more to come about events at the club. Come around and find out about all the fun!

See you at the club!

Dear Members -

So glad spring is here, its nice to have the doors and windows open. Thanks for all the members doing extra bar nights - fun right?

As mentioned at the meeting, some members are asking to return to canned beers at the bar. Some reasons are that the bottles are cumbersome, cans are more environmentally friendly and can be recycled

for some profit. Please talk to each other about this, nicely please.

Friendly reminder, if you are at the bar eating snacks and not chewing anything - get the broom!

Thanks,

Cindy Cappadora

This years 5-Club Poker Run will be held Saturday of our Regatta, which will leave our people pretty much out of it??? However we will be a stop.
