POINT PLACE BOAT CLUB NEWSLETTER

June 2017

From the Commodore

Woot! Woot! The boats are getting wet! And not just from all the rain we have had. There are boats at the docks and by the time you read this more will be in. Come on down and visit!

Please remember that all boats must be out of the storage yard by June 1st. Not only is there a monetary fine for leaving them there but we really need to get them out for parking for regatta. Don't forget—It is June 2nd and 3rd. Put a big red star on your calendars and come "Shake Your Maracas on the River!" We have the Sweet Tea band back on Friday night and Rock Candy will be playing for us on Saturday. Set up will be the Wednesday before. Please come out and help all of our regulars. This is a great way to get to know others and get in those work hours. And PLEASE sign up for a shift or two on Friday or Saturday. If you do sign up—show up! It takes every member to make this a success. A lot of good people have signed up to chair the various areas and they really need your help.

Because of the confusion in assigning hours last year we will not be giving meeting credit to those who come on Wednesday for set up. Pam Perkins is working hard to bring it all together. THANK YOU PAM!!!

Sadly, River View Yacht Club lost their Commodore on Sunday, May 7th. Ron Smith was a very good friend to our club and always enjoyed the time he and his wife Lynn spent with us. Our deepest sympathies go out to the Smith family for their terrible loss. I've known Ron since the early 80s and he was always someone who would help you out and have your back. I will miss him greatly.

Docklines

From the Rear Commodore

Hello Club Members -

Everything is going well with the bar. We have had a couple of good parties. Those are always a boost to the budget and FUN too!

If anyone has never bartended and you feel like you need moral support and instruction, I can be available to stay for a while after you open and get you started.

Everyone please straighten chairs and clear tables when you leave, even out on the deck.

Thanks,

Cindy Cappadora

Rear Commodore

From the Dockmaster

I just wanted to take a minute to thank everyone who came to the Light of the Docks event. It was a wonderful celebration of the beginning of the 2017 season!

Likewise, I would like to give a big THANK YOU to everyone who has helped to set up, repair, wash, and work on

our docks. You have all helped to make our docks look great, and I really appreciate the help!

Chris Hilt
